Voicu SIMEDREA (Romania)

MESSAGE FROM THE PRESIDENT

Dear Colleagues and Friends,

We are honored to invite you to the 7th Endometriosis League Congress, which will be held between June 6th-8th, 2024, in Bucharest, Romania.

We wish to continue our tradition and show new techniques in live surgeries, the latest trends and incredible innovative technology.

The endometriosis field of study has been expanded during the last years with new devices, new indications, and more sophisticated therapeutic procedures which are spreading worldwide.

We have prepared a program that covers the most important topics in endometriosis. There will be many hours of live transmission and cutting-edge lectures by leaders in their field, covering knowledge in basic and advanced endometriosis.

We hope delegates, whether novices or experts, will find the Congress informative, providing the latest updates in a friendly, interactive setting.

We hope you will join us in Bucharest!
Professor Elvira Bratila
